RD 38	**Michelle P.**	8	8 of 8	8 of 8	14	
RD 39	**Danny S.**	7	7 of 7	7 of 7	9	
RD 40	**Danny S.**	7	7 of 7	7 of 7	9	
RD 41	**Rob P.**	12	12 of 12	12 of 12	15	

Point of contact = who organizes sign deployment for that RD: named for the RD (green rows), or the region lead when the RD has no one of its own. **Polling locations** counts each building once, under the RD in its location ID (where it stands, unless none of that RD's voters vote there), as on polls.teamkatz.org — so RDs add up to their region and regions to the state. **With a sign person** = buildings with someone named, or a team, to stake signs there. **Has signs** = of

Staff · assignments: inventory/rd_coverage.csv (RD/region POCs) + inventory/ed_sites.csv (buildings) · polling places: DE Dept. of Elections

those, how many are led by someone who has their signs (inventory/sign_stock.csv).

Signs needed

0 people covering **0 sites** still need signs. Mark someone as stocked in inventory/sign_stock.csv and their sites turn green.

Everyone covering a site has their signs.
